A petition presented by you has been submitted to the Registry of this Court together with designs, plans, photographs or other documents, requesting a faculty authorising the works or other proposals specified in the petition.

A public notice was duly displayed giving an opportunity to all persons interested to object and give reasons why a faculty should not be granted.

The proceedings were unopposed and did not give rise to a question of law or of doctrine, ritual or ceremonial or relate to proposals that affect the legal rights of any person or body.

This Court now grants a faculty authorising you to permit interment of cremated remains within the closed churchyard as described in the Schedule in accordance with the petition and subject to the conditions set out below.

This faculty is duly authenticated by the seal of this Court.
